You need to keep us informed of any special circumstances for which you might be allowed an extension.

Fast Track Your Training Options

It is possible to integrate real work experience into course studies.

If you have workplace evidence that matches the study assessment tasks, you can discuss this with your assessor.

Remember to get permission for this from your employer.

Keep us up to date

If you change your name, address or contact details you need to keep us informed.

It is also very important to make sure your details match your records for USI.

It is the little things that cause delays in issuing your qualifications.
