Our Trainers are the Difference!

Whether you choose workshops, RPL, online/distance learning or mentored, on-the-job training, the support you receive from our dedicated trainers remains the same.

There are no hidden fees, and you will not receive materials and passwords and be left to teach yourself. Our trainers are committed to your success and are available by email, phone or webinar.

Pre-requisites for entry

All the core units from BSB41419 (or equivalent) must be attained prior to enrolling in this course either by training or RPL.

Qualified WHS personnel are essential in every type of business, now more than ever. This diploma builds on your WHS knowledge base to cover implementation and management of WHS risk, response and investigations, management systems and consultation processes. Develop leadership and communications skills to ensure you become an effective WHS manager.

The HBTA Advantage
