## Our Trainers are the Difference!

Whether you choose workshops, RPL, online/distance learning or mentored, on-the-job training, the support you receive from our dedicated trainers remains the same.

There are no hidden fees, and you will not receive materials and passwords and be left to teach yourself. Our trainers are committed to your success and are available by email, phone or webinar.

No two days are the same in the life of a project manager. This exciting, dynamic career requires a solid foundation in project management theory as well as broad, adaptable skills that can be practically applied across industries.

This diploma delivers the essentials of project management theory and best practice as you learn strategies to manage projects efficiently for a timely and successful completion. Improve leadership, communication, and critical thinking skills for effective problem-solving on the job.

## The HBTA Advantage

- Enrol at any time
- Study how and when it is convenient for you
