Our Trainers are the Difference!

Whether you choose workshops, RPL, online/distance learning or mentored, on-the-job training, the support you receive from our dedicated trainers remains the same.

There are no hidden fees, and you will not receive materials and passwords and be left to teach yourself. Our trainers are committed to your success and are available by email, phone or webinar.

Skill Sets result in the issue of a formal Statement of Attainment (SoA)

When you complete a Skill Set with HBTA you will receive a formal statement of attainment (SoA) just as you would if you completed a formal qualification. A statement of attainment is a nationally recognised qualification under the Australian Qualifications Framework.

The units you achieve competence in can be used towards full qualifications in the future.

Your SoA is evidence of your professional development and will be recognised by employers in Australia.

The HBTA Advantage
